

March 2019

Our Services

How can we work for you? Founded in 1983, King & Bishop has placed thousands of professionals throughout North America for companies just like yours.

Our staffing models include Search, Contract Placement, Contract-to-Hire, Permanent Placement, and Managed Services to multiple sectors and industries. We take pride in providing personalized career management as well as outplacement services.

King & Bishop's sister company, Finish Line Staffing Services, focuses on engineering, manufacturing and production disciplines including Life Sciences.

KB Companies Open House

Coming this Spring 2019! Join us in April at our Waltham office for an evening of networking. Great opportunity to meet our team, hear about our positions we have, and learn more about King & Bishop. Stay tuned on the date and details on how to register. We hope to see you there!

The BioNorth group held its second networking event on February 13th. The event had a variety of professionals- scientists, investors, entrepreneurs, operations, business development and college students. This group is looking to grow the Biopharma and Medical Device industries in New Hampshire. It was a great event to meet new people that work or are interested in the BioTech fields. Be on the lookout for their upcoming events.
